GUIDE FOR BIDDERS & CONDITIONS OF SALE

BIDDING: The auctioneer reserves the right to bid on behalf of clients and vendors, but shall not be liable for errors or omissions in executing instructions to bid.

HOW THE BIDDING WORKS: Each lot is sold at one bidding step above the second highest bid. No bidder will pay more than is necessary to secure the lot. This system operates without exception. Submission of bids implies acceptance of these conditions of sale.

BIDDING STEPS: Bidding proceeds in steps as follows, starting at the second highest bid, or at the reserve price, if no other bids have been received.

Up to £20	in steps of £1	£1,000 to £2,000	in steps of £50
£20 to £50	in steps of £2	£2,000 to £5,000	in steps of £100
£50 to £100	in steps of £5	£5,000 to £10,000	in steps of £200
£100 to £500	in steps of £10	£10,000 to £20,000	in steps of £500
£500 to £1,000	in steps of £25	Over £20,000	in steps of £1,000

In the event of identical bids for the same lot, the first received will have priority. A buy bid, will be interpreted as three times the estimate

RESERVE: There is a reserve of 80% on most printed estimates. In the event of only one bid being received, that bidder will get the lot at the reserve price. Bids below reserve, however, will be considered at our discretion.

TELEPHONE BIDS: Are accepted at our office, between Mon-Fri, 10am – 5pm, subject to written confirmation from customers unknown to us.

LIMIT OF SPENDING: If the total amount to be spent is to be restricted your bids must be listed in order of preference. When maximum has been reached, any other bids will be ignored.
