Catalogue Subscription Renewals

Please find enclosed our latest Auction catalogue. We hope that you have found them interesting over the 12 months and that there have been many lots for you to bid on. That time of the year has now arrived when subscription renewals are due. The subscription covers all of our stamp auction catalogues for one year, guaranteeing at least 4 all World auction catalogues. We also offer a service giving subscribers the opportunity to receive a list of unsold lots shortly after each sale showing the reserve prices at which they are still available, together with a list of prices realised.

Specialist Buyers Register

For those collectors who only have a limited collecting field and feel it would not be worth subscribing to an entire year's worth of catalogue on the off-chance of finding something of interest to them, we can now offer a specialist buyer's service, whereby we only supply catalogues when there are lots that match up with your specialist requirements listed on our register. This selection service is free, but the cost of each catalogue is invoiced upon dispatch. If you wish to register for this service, please list details of your interests below.

We also hold regular Public Auction of Stamps, which always include a good section of Great Britain, often including collections of First Day Covers. You may also subscribe to these on the coupon below.
