Sellers Terms:

- All charges will attract VAT
- Wincanton Auctions charge a lotting fee of £3 per lot and a Seller's Commission of 20% on the sale price (subject to a minimum fee of £3) on each lot. Please note, VAT is only charged on the commission value not the sale price.
- A reserve price may be agreed at the discretion of Wincanton Auctions. Items which fail to reach reserve in one sale, will automatically be sold in the next appropriate sale without reserve unless collected.
Please Note: That any estimate is not a reserve price. We will not normally agree a reserve on sofas, beds and large items of furniture and low value items. Alternatively, a 5% lotting fee (minimum £5) may be charged on the reserve price requested.
- Items unsold at auction may be sold by private treaty thereafter at the discretion of Wincanton Auctions subject to a minimum value of their current reserve. If no reserve applies the item may be sold at a price of the Auctioneers discretion.
- Any lots which fail to attract a bid after their second sale must be collected by the end of the following week or will be disposed of. A charge may apply on disposable
- All portable electrical appliances will have their plugs removed, and be sold as "antiques" or be tested for safety (PAT Tested) and a £3 charge made per test (pass or fail)
- The porter/auction has absolute discretion to refuse items considered unsuitable for the sale. A Full List of items that we cannot accept or should be approved before entry is detailed on our website.
- Payment is 2 weeks (14 working days) after the auction by bank transfer. The Auctioneers will withhold payment on any lot until the purchaser of that lot has settled their account. Vendors collecting proceeds will be asked to prove their identity. It is agreed that the Auctioneers take their charges on completion of the sale and may earn interest on credit balances.
A seller can collect their items at any time however if the item has been catalogued or re-catalogued a lotting £5.00 will apply for each item withdrawn.

Right of Title; The Seller warrants to Wincanton Auctions and to the Buyer that he has and will be able to transfer, good and marketable title to lots entered free from all third party rights or claims on the fall of the hammer.
